Day 5: Free Day

Each week there is a free day when no guided walks are offered. This is an ideal opportunity to relax around the hotel, walk independently or visit local places of interest. Some options for your free day may include:

Valletta: It is impossible to explore this World Heritage City in one day. Options available are the National Museum of Archaeology, where a fascinating collection of artefacts from Malta's prehistoric sites are housed; the War Museum, which tells the story of the siege of Malta during the Second World War; Manoel Theatre (a beautiful old theatre), and an inhabited 16th century patrician town house.

Mdina & Rabat: Mdina is an important UNESCO Heritage Site. It is the oldest city on the island and derives its name from the Arabic word 'medina' meaning walled city. Mdina is lamp-lit by night and often referred to as the 'silent city'. The cathedral and cathedral museum are fascinating places with their rich cultural and religious treasures. The impressive palaces are still home to some of Malta's aristocratic families.

Rabat is home to the famous catacombs of St Paul and St Agatha and the impressive St Paul's Church, which stands above a grotto where St Paul is said to have taken refuge after his shipwreck on Malta.

Day 6: Ta Pinu And Sculpted Cliffs

We take the ferry across to Gozo, where the Church of Pilgrimage at Ta Pinu starts the day. From here the north coast offers some spectacular cliff scenery. Heading eastwards there are some beautiful 'wind sculptures' to admire as well as quaint fishermen's storerooms, formed in the softer rock of the higher cliffs, on our way to Marsalforn or Victoria.
