## ITINERARY – ITINERARY 2026

---

### Day 1 ARRIVAL DAY

Fly to Oslo, then transfer to Venabu, which takes around three hours with a stop off at Brumunddal. Arrive at the hotel for a welcome meeting and briefing with the guides (depending on arrival times).

### Day 2 SVARTFJELLET

Today's walks on Venabygdsfjellet will help us get our bearings and provide wonderful views across Rondane National Park.

#### Option 1 – Holtersætra loop to Lundes

**Distance:** 5.5 miles (9km)

**Ascent:** 790 feet (240m)

A short transfer by minibus takes us to the start of our walk at Holtersætra, a summer farm with an infamous past. We'll hike up over the craggy peak of Svartfjellet for extensive views over Venabygdsfjellet and beyond. Our walk is a loop which brings us along Flaksjøen, the largest lake in the area, ending at the shop at Lundes where there is the opportunity to look around or have well-deserved coffee and waffles, before we continue back to our hotel.

#### Option 2 – Venabu circular

**Distance:** 8.5 miles (14 km)

**Ascent:** 820 feet (250m)

Our harder walk today follows the same itinerary as the easier option, however, we continue with a longer loop around the pretty Flaksjøen lake, before heading back to our hotel. Please note: If weather conditions are too wet to go around Flaksjøen, we will take a slightly longer route from the summit, under the crags of Svartfjellet, to join the path back to Venabu – this would be ascent 890 feet (270m) / distance 9 miles (15km).

### Day 3 PEER GYNT COUNTRY

Discover Norway's Peer Gynt country, the setting for Ibsen's best-known play. This is a landscape of mountains and traditional summer farms. UNESCO recently added Norway's traditional mountain farming culture (seterkultur) to its list of Intangible Cultural Heritage, and you'll have a glimpse of that here.

#### Option 1- Peer Gynt Trail

**Distance:** 6.5 miles (10.5 km)

---

---

**Ascent:** 640 feet (195m)

We'll walk along the Peer Gynt Trail through a gentle, open mountain landscape with extensive views to the Rondane, Dovrefjell, and Jotunheimen national parks. We pass the beautiful lake Storrøgn, with its idyllic fishing cabin before returning on the Peer Gynt Trail.

#### **Option 2 - Gråkampen**

**Distance:** 9 miles (15km)

**Ascent:** 720 feet (220m)

This circular route takes in the top, Gråkampen, with views south towards Kvitfjell and beyond. This circular route takes in the top, Gråkampen, with views south towards Kvitfjell and beyond - this is the highest point of 1212 metres that we reach on this programme. On our return, we'll visit the peaceful lake of Storrøgn and head along the Peer Gynt Trail. You can also add the bonus top of Dørdalsknappen, an extra 100m ascent and 2km.

### **Day 4 VENABU LOOP – FOREST & WATERFALLS**

Another day exploring the local area, with both walks taking in the surrounding nature with its lakes and waterfalls.

#### **Option 1 – Veslefjellet and Myfallet waterfall**

**Distance:** 5.5 miles (9 km)

**Ascent:** 950 feet (290m)

From the hotel, we'll walk out to the impressive Myfallet waterfall, passing the summer farm of Mysætrin. Our route then takes us over the small peak of Veslefjellet, which gives us great views of the Venabygdsfjellet plateau and surrounding hills. We'll visit the DNT (Norwegian Trekking Association) cabin, Veslefjellbua, on our way back for a short transfer back to the hotel.

#### **Option 2 – Kyrkjegardsfjellet and Myfallet waterfall**

**Distance:** 9 miles (15km)

**Ascent:** 1940 feet (592m)

Setting out from the hotel, we cross the pretty river Freska before visiting the small peak of Kyrkjegardsfjellet, with stunning views all around before descending into the forest and down to the bridge at Døramota. We continue, taking in the waterfall at Myfallet, as we walk back to the hotel.

### **Day 5 FREE DAY**

Transfers are available to Ringebru railway station (20 minutes by minibus) if you'd like to visit Lillehammer. Maihaugen Open-Air Museum is a great option to understand more of Norwegian culture and heritage.

Or Visit Ringebru Stave Church, which dates back to around 1220, and is one of 28 remaining in Norway today. The vicarage also hosts an art gallery and new exhibitions each summer, plus its garden has been carefully restored with heritage varieties of roses, fruits, and vegetables. Combined tickets are available (not included) and we can arrange transport here if needed.

## Day 6 RONDANE NATIONAL PARK

One of the oldest National Parks in Norway.

### Option 1: Søre Vola, Atnabrua, and Sohlbergplassen

**Distance:** 5.5 miles (9km)

**Ascent:** 780 feet (240m) (this walk can easily be extended to Midtvola, adding 4km and 60m ascent)

This walk takes us to Søre Vola for magnificent views of the peaks in the Rondane National Park. We'll walk through Scots pine forest, passing pretty lakes, and up onto a grassy top with fantastic views over Atnasjøen and the Rondane. From there we'll descend to Atnabrua where there are restored water-workings on Atnabrufossen. We can visit Sohlbergplassen, the classic viewpoint for the Rondane and the inspiration for Harald Sohlberg's "Winter Night in the Rondane", one of Norway's most loved paintings.

### Option 2 - Bjørnhollia DNT cabin and Sohlbergplassen

**Distance:** 8 miles (13 km)

**Ascent:** 920 feet (280m)

We'll walk from Straumbu through the pine forest to the picturesque DNT cabin of Bjørnhollia where we can stop for refreshments. We'll continue along a track under Langluppdalen before plunging once more into the forest and returning to our starting point. There are a lot of moose in this area and you might be lucky enough to catch sight of one.

## Day 7 VENABYGDSFJELLET

We round off the week of walking by exploring more of the beautiful Venabygdsfjellet plateau. Both walks reveal wild, unspoilt landscapes.

### Option 1 - Svarthammaren and Flaksjølia

**Distance:** 6.5 miles (10km)

**Ascent:** 790 feet (240m)

From Spidsbergseter, a steady ascent takes us past summer farms and up onto Svarthammaren where the views out towards the Rondane peaks are stunning. We'll walk past small mountain lakes to the top of Flaksjølihøgda for views over the largest lake on the plateau, Flaksjøen. From here we'll descend into rocky Kvandalen before a short climb gives us further views of Svartfjell and the Jotunheimen in the far distance. We'll return above the lake shore through more summer farms.

### Option 2 - Muvatnet to Spidsbergseter via Svarthammaren and Flaksjølihøgda

**Distance:** 9 miles (14.5km)

**Ascent:** 850 feet (260m)

A short transfer takes us out to Muvatnet and the start of our hike. Walking above the lake, we'll head into a rocky

pass to visit ancient reindeer traps. These prehistoric pitfalls were built by the hunters who followed animals into the mountains after the last ice age. Our walk then continues above Bølvatnet and up onto Svarthammaren where spectacular views open out. We'll then join the route taken by the day's shorter hike.

## Vaccinations & health

### Vaccinations & health information

Before booking, you should check with your doctor to see whether any health precautions are needed for your trip. Health advice and requirements can change, so we recommend doing this in good time before travel.

As a general rule, travellers should ensure they are up to date with routine UK vaccinations and boosters, including, for example, MMR and diphtheria, tetanus and polio. Some countries may require you to have specific vaccinations such as Malaria, Rabies and Yellow Fever. Please check with your GP if you are unsure.

Please note that the use or possession of some common prescription or over-the-counter medicines is restricted or banned in certain countries. If you will be carrying medication, you should check with the relevant embassy or consulate before travelling. As an extra precaution, we recommend keeping medication in its original packaging, carrying a copy of your prescription, and, where possible, asking your pharmacist to provide the medication name in the language of the country you are visiting.

For further country-specific health advice, visit [www.fitfortravel.nhs.uk](http://www.fitfortravel.nhs.uk) or [www.traveldoctor.co.uk](http://www.traveldoctor.co.uk). If you are travelling from outside the UK, please consult your own doctor and check local entry requirements.

## Passports & visas

### Passport & Visa information

This information is for those travelling with a full 'British Citizen' passport; for all other nationalities or passport holders, please check with your local consulate for advice.

## Passport Requirements

This information applies to travellers holding a full British Citizen passport. Entry requirements vary by destination and can change at short notice. For most EU and worldwide destinations, passports must be valid for the entire duration of your stay. Some countries also require a minimum period of validity remaining on your passport (often up to 6 months beyond your return date), even if you are not staying that long.

We strongly recommend ensuring your passport has at least six months' validity remaining at the time of travel to avoid any issues.

If you hold a different type of British passport or a passport issued by another country, you must check the requirements with the relevant embassy, consulate, or official government website.

## Visa Requirements

Visa rules depend on your nationality, destination, length of stay, and purpose of travel, and they can change frequently. It is your responsibility to check whether you require a visa before travelling.

British passport holders should check the latest entry, passport validity and visa requirements for their destination on the UK government's Foreign, Commonwealth & Development Office (FCDO) website:
