

Accessibility at The Peveril of the Peak

Due to the layout and age of Peveril of the Peak it is not recommended for wheelchair users or guests with restricted mobility. However, ground floor accommodation is available, but only accessible through an outside ramp, which also provides access to enter the main house, the restaurant, bar, main lounge and public toilets. Dovedale Function Room is also accessible from an outside slope.

Arrival & car parking facilities

- Disabled parking bays not available, due to the layout of the property
- If needed, it's possible to load and unload cars directly at the front door
- The surface of the main car park is layered with tarmac and a sloped driveway to the front door - approx 100 yards, with dusk sensor lighting
- Assistance can be provided with luggage

Main entrance & reception

- Three steps lead to the entrance porch. These steps are 90cm wide and 20cm high
- The doorway is 95cm wide
- The ground floor hallways are carpeted throughout
- All public areas are carpeted, the Dovedale Function Room is half carpeted and the other half has a laminate flooring
- After entering the house, all the facilities are available without encountering any further steps
- The corridors around the ground floor are 125cm wide.

Lounge & conservatory restaurant

- The lounge is 15m x 9½m
- Seating is leather bucket chairs, which are 50cm high and 55cm wide, normal leather chairs 40 cm x 45 cm, also sofas 110 cm x 70 cm
- The restaurant is 12m x 10m, carpeted and is well lit and airy
- The chairs in the restaurant are 45 cm x 50 cm

Ballroom (Dovedale Function Room)

- Our Ballroom is a large well lit room (20 m x 11m) with light coloured laminate flooring and half the room carpeted
- The chairs are tub chairs, 40cm wide, 55 cm deep and the seatback is 48cm high. There are also sofas 100 cm wide and 60 cm deep

Public WCs

- The public toilet can be found on the ground floor near Reception
- The Ladies toilet is accessible by 3 steps and no wheelchair ramp
- The entrance door is 82cm wide
- The height of the toilet seat is 43cm and the height of the hand basin is 80cm
- There are no grab rails on both public toilets
- The basins have 2 motion sensor operated mixer taps
- The lights are automatic, on motion sensors

Dining room & bar

- The dining room is a large airy room (12m x10m)
- The entrance door is 110cm wide
- The circular tables are 150cm across with an underspace of 68cm. The seats do not have arm rests and they are 45cm high, 44cm wide and the back rest is 39cm high
- All meals are waitress service
- The bar area has tub chairs and 2 leather armchairs. The seating on both tub chairs and armchairs is 40cm high, 50cm wide.
- Bar is well lit with both main lights and side lights

Boot room

- The boot room has a 15cm step down onto a level lino floor
- Floor can get slippery at times, but assistance can be provided upon request.

Bedrooms

- Usually made up with hollow fibre duvets and pillows
- Blankets available on request
- All rooms are carpeted and well lit
- All furniture, including beds, is movable
- From the ground floor, there are 9 stairs to the first floor landing, followed by a further seven stairs to another landing, there are also other steps all around the house, taking to all floors, as the property is located on a slope and floors can only be accessed by up or down steps
- These steps are 15cm high, 30cm deep and 105cm wide
- All stairways have wooden banisters
- Most bedrooms have an en-suite shower over bath, and there are also a few rooms with walk-in showers available

Bathrooms

- All bathrooms contain a sink and a toilet. Some have shower over bath and some have walk-in showers
- Bathroom door width is 66cm and the toilet height is 40cm.

Grounds and gardens

- Large sloped grounds with flower pots
- Footpaths layered with tarmac
- Dusk activated lighting.
